Dear Parent,

As of 1st April 2025, Stratfords Industrial is changing the way you purchase school uniform.

You will no longer be able to purchase and take items with you from the trade counter. All items will need to be ordered by email, website or in person. You will be issued a number for email and orders placed in person; this will be needed to collect your items from our new pick-up window (website customers you will need your 5 digit order number #*****). You will be notified via email, text message or website notification when your order is ready to collect. All items must be paid for prior to collection.

All orders for school uniform must be received by 22nd August 2025 to guarantee your items for w/c 1st September 2025. We endeavour to keep all uniform in stock but occasionally items will be out of stock with the supplier, this is out of our control.

During busy times Monday-Friday July, August & September and to allow a more personal service we will operate a queueing system. You will not be able to enter the shop until the person in front of you has completed their purchase. We estimate 15-20 mins per customer. We will only take orders and payment.

We would ask that, where possible, orders are made via the website or by email. Orders will NOT be taken over the telephone.

Saturday will be by appointment only. Collections will not be affected.

We hope to make purchasing school uniform as painless as possible. By launching this new more modern approach we hope to provide a smoother, more user friendly experience.

Kind regards,

N.R.S. Hindry
