Are you concerned about your child's safety online?

We are pleased to announce that Karen Robson from Norfolk County Council Digital Services will be joining us in school on **Monday, 13th January at 2:00 PM**. Karen will provide an informal tech session aimed at helping parents and carers understand how to keep their children safe in the digital world.

This session comes on the heels of a recent eye-opening documentary on Channel 4, "Swiped: The School That Banned Smartphones," which aired on **12th December** and is available to watch on Catch Up. The documentary explores the impact of removing smartphones from Year 8 pupils for 21 days and raises significant issues regarding technology use.

Karen's session will be relaxed and informative, and she will also be available for one-on-one consultations with parents and caregivers. We will send out a registration link soon, so please keep an eye out for that!

Tea and coffee will be provided. Don't miss this invaluable opportunity to engage with important topics concerning our children's online safety!
