Headteacher's message

This week we were proud to celebrate Children's Mental Health Week, with a focus on the theme of 'Belonging'. We launched the week with a whole-school assembly on Monday, where we explored what it means to feel valued, included and connected within our school community. Throughout the week, children have taken part in a range of thoughtful activities designed to help them reflect on friendships, kindness and the importance of supporting one another. If you would like to continue these important conversations at home, there are some excellent follow-up ideas and resources for families available here: https://www.childrensmentalhealthweek.org.uk/families/

We were also delighted to welcome Alexis, our local Family Hub Community Worker, into school this week. She offers a confidential service providing friendly support, advice and guidance for family worries – big or small. If you were unable to meet with her this time, she will be returning soon and we will share further details.

Finally, a reminder that Parents' Evenings will take place after half term. If you have not yet booked your appointment, please do so at your earliest convenience. We look forward to seeing you and sharing your child's progress.

Wishing you all a wonderful half term holiday!
