Headteacher's message

Well done to our Y1 pupils who have worked really hard in their Phonics Screening Test this week. Some of the questions and sounds were quite difficult but they all did really well.

Science week has been a tremendous success. On Wednesday Grace's Amazing Machines from CBeebies came into school and worked with the whole school. The children had a fabulous time, learned an amazing amount and had fun doing it. Thank you to Mrs Craven for organising the event and to The Hunstanton & District Festival of Arts (HDFA) for funding it! Today, the children will show case the science investigations to parents and carers in the hall, KS1 from 2:45pm and KS2 from 3:00pm. Thank you to everybody who came along and supported this event.

This is an incredibly busy term - please do check the events calender and school diary.
