Headteacher's message

Science Week has been a fantastic experience for the children! The Planetarium visit was awe-inspiring, and it was wonderful to hear about the knowledge they gained about the stars and planets. The Science Fair was a wonderful culmination of the week's activities, allowing students to proudly showcase what they've learned. Thank you to everyone who contributed to making these events successful and to all the parents and carers who came along to see what the children have been doing. It's really important for the children to see their parents and carers support the school and their learning. The Y1 and Y6 Reading Cafés on Thursday were well-received. Engaging parents and the community in reading events is always beneficial for students.

Attendance Awards

KS1 : Emilia

KS2 : Ava

Staff : Mrs Tisshaw & Mrs York

Attendance this week

Overall attendance this week: 95%

This is a great improvement
