Headteacher's message

It has been very busy in school in the run up to Christmas. Pupils and staff are certainly full of Christmas spirit. The KSI Nativity was full of sparkle and shine and the KS2 Carol service was absolutely heavenly. We are so proud of all the pupils. Thank you for supporting our Christmas Fayre which raised over £700 and the Rudolph Run which raised over £400 for the Tapping House, a very worthy local cause.

Thank you for all your support this term. All it remains is for me to wish you all a very merry Christmas and a Happy New Year!

Help with Childcare Costs

From 2 January 2024, eligible working parents can apply for 15 hours of childcare for their two-year-old. Parents have until 31 March 2024 to apply for a code, with mid-January to the end of February being the optimum time to apply in case they need to provide further information to support their application.

To apply for a childcare code each parent needs to be working and earning the equivalent of 16 hours a week at national minimum/living wage and under £100,000 adjusted net income per year. This means that each parent needs to earn from just over £8,600 per year to be eligible for 15 hours a week of childcare during term time.

There is more information on the childcare support available to parents on the Childcare Choices website, where they can explore the early education entitlements and other government help with childcare costs.

Hope this information helps.
