## Headteacher's message

Two Simple Ways to Support Your Child's Success

The two most powerful things you can do to support your child's learning are reading regularly and good attendance.

Reading at home, even for just 10 minutes a day, builds vocabulary, confidence, and a love of learning. Sharing a book together is one of the easiest—and most enjoyable—ways to make a big difference.

Good attendance ensures your child doesn't miss out on key learning, routines, and friendships. Every day in school really does count, and even small improvements make a meaningful impact.

Thank you for your continued support in helping your child thrive.
