Headteacher's message

We are thrilled to announce that this year marks a significant milestone–50 years since Hunstanton Primary School first opened its doors in 1975! To celebrate this momentous occasion, we are planning a festival inspired event that will bring together former pupils, staff, parents, and residents of Hunstanton.

We would like to invite everyone who has been a part of our school community over the past five decades. We welcome and encourage your ideas and suggestions to ensure that this event is memorable for all!

If you're interested in helping organise this exciting event, would like to have a stall or have any ideas to share, please reach out to the school office. We have a number of exciting plans in the works, and our Parent-Teacher Association (PTA) is also on board to help make this an unforgettable day (Date to be confirmed) for everyone in Hunstanton.

Let's come together to celebrate our school's history and the wonderful community around it!

We look forward to your responses and involvement.

West Norfolk Carers
Supporting Unpaid Family Carers Across West Norfolk
Registered Charity No. 1107546

Many people who have a caring role and often do not necessarily think of themselves as carers. Therefore they may be unaware of the services and support that exists for them. We wish to extend our impact and make more of a positive difference to even more carers living locally.

We will be distributing more in formation about the work that West Norfolk Carers are doing within our school in due course. But for now we encourage you to have a conversation with your children about the assembly and see what they remember about it. For more in formation you can visit their website https://www.westnorfolkcarers.org.uk/

Below is a video link that was shown to the children explaining what young carers are.
