Headteacher's message

Thank you to the 47 families who have completed the parent survey. We really appreciate you taking the time to share your views. The results are currently being collated and will be shared in due course.

This week, our Year 5 pupils have worked extremely hard on their assessments, showing focus, resilience, and determination throughout.

Some of our Y5 & 6 pupils have taken part in their final Young Leaders' training this week, developing valuable leadership and teamwork skills.

After half term, we will be holding Parents' Evening (please see the calendar for dates). We expect all parents to attend, as this is a vital opportunity to discuss your child's progress and next steps. Appointments can be booked from Monday 9th via the class teachers only. Please do not contact the office.

Finally a reminder about the importance of children having breakfast before school. We have noticed that a significant number of pupils are arriving without having eaten, which can affect concentration, energy levels, and learning throughout the morning. A simple breakfast can make a big difference in helping children feel settled and ready to learn.
