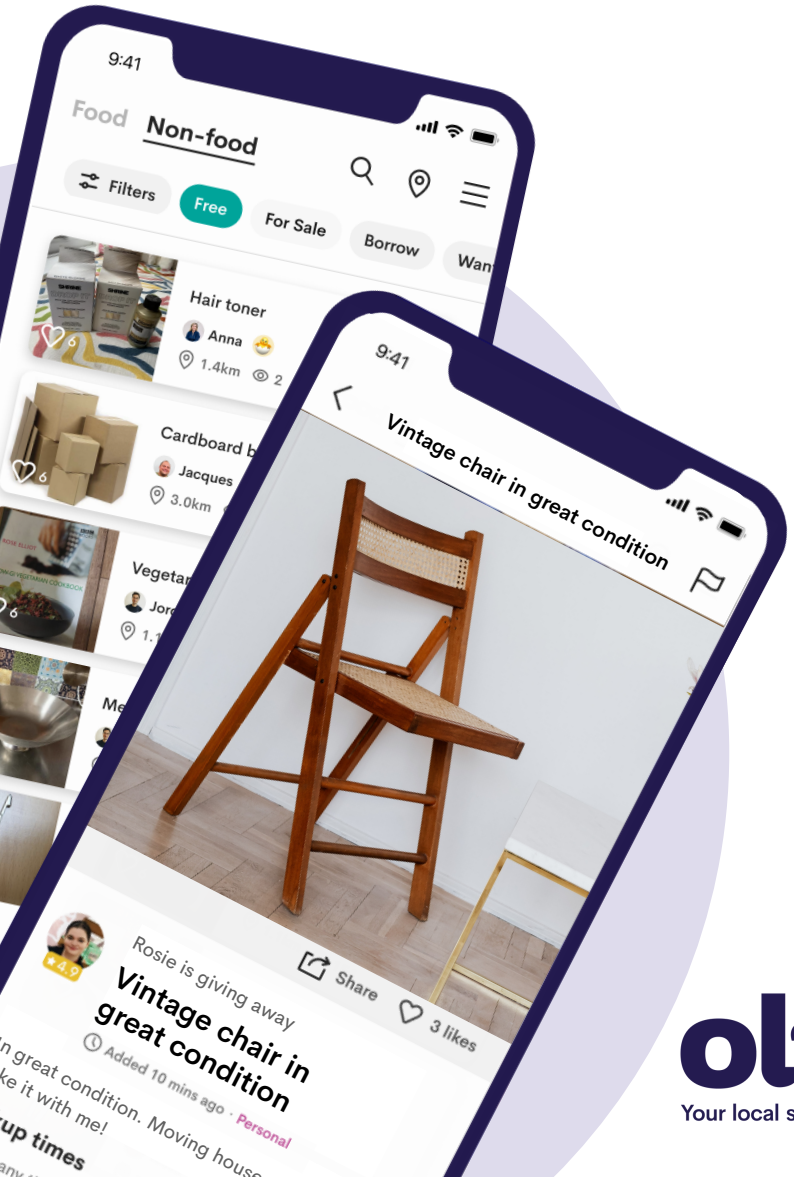
share more, waste less

Books, toiletries, furniture, food, clothing. If you've got stuff you don't use, why not pop it on Olio? It's a free sharing app that lets you pass on what you don't need to people nearby.

Help local people and the planet, all without leaving the house! Scan the QR code to download Olio and share your first item today.



1 Snap

Take a quick snap of any items you want to pass on

2 Message

Chat via the app to arrange collection

3 Share

Share your unused stuff with someone who'll love it. Requests come within minutes!
